

Poster Competition

World Food Day is an international day celebrated every year worldwide on the 16th October. World food day is a good platform to share knowledge and awareness of issues we face throughout the supply chain.

MA's Kitchen is holding a poster competition to showcase issues the country faces in providing safe and plentiful food to communities as well as recognizing the people who are crucial in the supply chain.

Entrants can select from either theme **A** or theme **B** below to feature in their poster.

A. Food Heros

Have you ever stopped and thought about all the people involved in getting your food to your table? There are many people who are important, from the beginning at the farm level to all the way until it enters your home. Your poster will feature a person/role of a person which is part of our food supply chain.

B. Be Sustainable

With food becoming more expensive and in increasing demand, your poster will showcase a situation where we can be sustainable. It can be in any part of our food supply chain from farm level all the way to our plate.

WINNERS OF EACH CATEGORY WILL RECEIVE A BOOK VOUCHER FOR RS.15,000

AGE CATEGORIES

Category 1
